As part of an ongoing effort to provide increased security and safety for your child at school, we have some additional questions to our district enrollment form. It is important that the school is informed of all adults living in the household of a student. We also need to know whether or not there are any custody arrangements in effect that are relevant to the school. The expanded enrollment form also request that you certify whether or not a member of your household is required to register as a "sex offender" (Megan's Law).

This confidential information will help us to better supervise the safety of your child and to ensure that your child is released to an authorized adult.

Thank you for your cooperation.
