

Library News

We have now entered our last full month for the 2020-2021 school year, and are fast approaching the last day of checkouts and returns. The last day I will do checkouts will be Friday, May 14th. Please look for library notices from your children Monday, May 17th so you know what is due back to the library. I would like books returned, or paid for if misplaced, by Wednesday, May 26th, so that I can complete the library inventory. Please remember that if you find a lost book over the summer, you can return it in the fall and get a refund. Obviously, if you are finished with the book, the sooner you return it the better. Each classroom has a well-stocked classroom set of reading books if your student should need or want a book to read until the end of school. If you do not find a missing book at home, it is always helpful for your student to check their school desks and their classroom libraries before declaring the book lost. Thank you so much for your cooperation.

Mrs. Gilliland
