

7th Grade Supply List

Each student needs to be responsible for their own organization. Our class will be using the AVID method of binder organization. The strategies of this method will be applied to all courses. The following is a list of supplies they will need to be successful in their courses this year. Organization is a skill our school will be focusing on this year as it is an important skill to have in order to succeed both in middle school and later on in high school.
