

# Meet the Teacher

## Welcome to 6th Grade

Mrs. Smith

### A Bit About Me!

I currently live in Penn Valley with my husband, Kalib and our two sons. After growing up in the foothills and attending schools like Clear Creek, I always dreamed about teaching in a similar school setting. I am so fortunate to have the opportunity to do so in the beautiful foothills.

I recently completed my master's degree in teaching and love being in the classroom whether it is as a student or a teacher. My hope is to instill that same love for learning in my students!

I am so excited to start the school year! I am looking forward to having your child as a student.

Sixth grade is such a fun year with so many wonderful learning activities to celebrate. In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.
